

About one month ago on a snowing Saturday morning we adopted a precious 9 month old male Westie named McKirdy. He joined our family of 2 girls and one female 5 year old Westie named Noel. Upon arrival he was a little nervous and timid. He did not know what to think about the 2 girl and the new dog that looked just like him.

We have spent the last month helping McKirdy adjust to our life style and his new found friend Noel. We have shown him around the house, the yard, and the neighborhood. He has been to school, dancing, and basketball, seeing his sisters off to do their various activities. He is truly my little shadow during the day, always keeping one eye on Noel making sure she's not too far away. They go outside together, eat together, play tug-o-war and chew each others bones. They are a true joy. McKirdy has settled in nicely to our family and our busy schedule, he looks forward to the 8:00 drop off at school and the 3:05 pick up. He steals toys, loves Barbie's and barks right in Noel's face. He has been a wonderful addition to our family. Thank you Oklahoma Westie Rescue for our sweet little McKirdy. The Etheredge's (Liz, Craig, Leah Beth, Abbie Grace, Noel and McKirdy)
